Tony, Engineer

"I have waited many years for yacht crew health insurance of the type signposted by MSCB and now I finally have not only comprehensive medical cover but a personalised service from the helpful staff at MSCB."

Glynn, Engineer

"Right from the start MSCB were very thorough and informative as to what was required to get the account opened in one hit. Anyone in yachting looking to open an offshore account with ease should look no further than MSCB. Their service was excellent, and every question I had was answered clearly and promptly."

Lance, Engineer

"Thank you very much for all the help you gave me, while setting up my offshore account. The service was always very friendly and MSCB were helpful with all my questions and queries. All this has made it a real pleasure to deal with MSCB. I would highly recommend Melanie for her professionalism, and will definitely be dealing with you again for other matters."
